Sir:

The U.S. Patent and Trademark Office (USPTO) mailed a non-final Office Action in the above-titled patent application on September 10, 2004. In the event that the USPTO denies the Applicant's request to restart the time period for responding to the September 10, 2004, Office Action, the Applicant respectfully requests that the USPTO grant the Applicant's

Petition to Revive an Unintentionally Abandoned patent application. The Applicant also respectfully requests that the Examiner reconsider the above-titled patent application in view of the following:
